Dear Friends:

It is with great pleasure that I share with you some exciting news regarding an upcoming event.

The Zonta Club of Boca Raton Area has recently announced that their 2011 *signature fundraiser* will benefit the programs of Caridad Center. Their 8th annual Cabaret Brunch will be held at Boca West Country Club on Sunday, March 6, 2011. I feel privileged to have the generous support of this committed organization.

Caridad Center continues to provide free medical and dental services to the neediest, uninsured residents of Palm Beach County. For the taxpayers of Palm Beach County, the services at Caridad Center are *saving millions of dollars* in uncompensated care for our local hospitals. The medical and dental care given at Caridad Center greatly reduces the number of patients who use emergency room services.

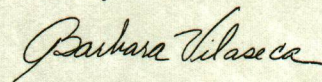

Thanks to your generosity, Caridad Center has been able to continue to serve those who have nowhere else to go for healthcare. Despite the economic crisis, in the past fiscal year 2008-2009, Caridad Center:

- Served a total of **6,500** patients through **24,400** clinic visits.
- Provided the equivalent of **\$1,216,000** worth of dental care to **975** children and **2,010** adults.
- Corrected and in some cases, saved the vision of **500** adults and **102** children, enabling them to lead productive lives and improve in their school work.

Thank you for making it possible for Caridad Center to continue our work. I encourage you to join us and enjoy this popular event - wonderful food, great entertainment, auctions, surprises and most of all, community and friendship.

The members of Zonta Club of Boca Raton Area and I look forward to seeing you at the 8th annual Cabaret Brunch.

Sincerely,

Barbara Vilaseca
Executive Director
