JUNE 2008

President's Message

Welcome to the 2008 – 2009 Zonta year. In preparation for the upcoming year we need to take stock of the great things that we have achieved, determine what else we want to achieve, and determine how we are going to achieve it. We also need to look at what we are currently doing and see if any changes need to be made.

In preparing the first newsletter of the 2008 – 2009 I thought about why we are doing one, how often it needs to be issued, and what should it contain. After thinking about our 22nd century communications methods, realizing that we keep our Zontian members informed on a real time basis I realized that our newsletter should be a recap of what has happened. Our newsletter will be going to a quarterly publication.

Last year our service committee approved many worthwhile projects which we plan on continuing and plan on expanding. Which project fires you up, let us know? Do you have any suggestions? If so, let Lisa Miller know. Feedback is important in succeeding and our joint actions are the only way to make things happen. Let's go Zontians!

Now that we have increased our membership we can increase participation in our projects and functions, mentoring, training, and recruiting additional qualified members. Membership is the responsibility of all. Remember "if every member gets one qualified new member we will continue to grow, succeed in improving our Club, District, Zonta, and our community."

How can we help you? Do not expect our crystal ball to let us know what you want or what you are thinking, because there is a crack in it. Our mind reading ability has gone into overload and has not been working well recently, so help us to help you. Speak up! The Club's success depends upon all of us not just a few.

Yours in Zonta,
Alice Chick
